The 1972 Crusader is dedicated to a man who has made many contributions to Harry Ells High School, Mr. Glen Baughman!

Mr. Baughman was born in Chicago in 1909. When very young his family moved to California, where

he grew up at Ophir, (near Auburn) California.

His father worked in a mine near Orphir. His mother was a rural mail carrier. As a student Mr. Baughman ran track and was the pitcher on his school's baseball team. He also played the piano. He performed at country dances and in a small band. He studied at the St. Louis Conservatory of Music.

Before World War II he taught at a Junior High in Lomis, California. During the war, he worked for the Southern Pacific Railroad, as a fireman running Malley Steam Engines over the Sierras.

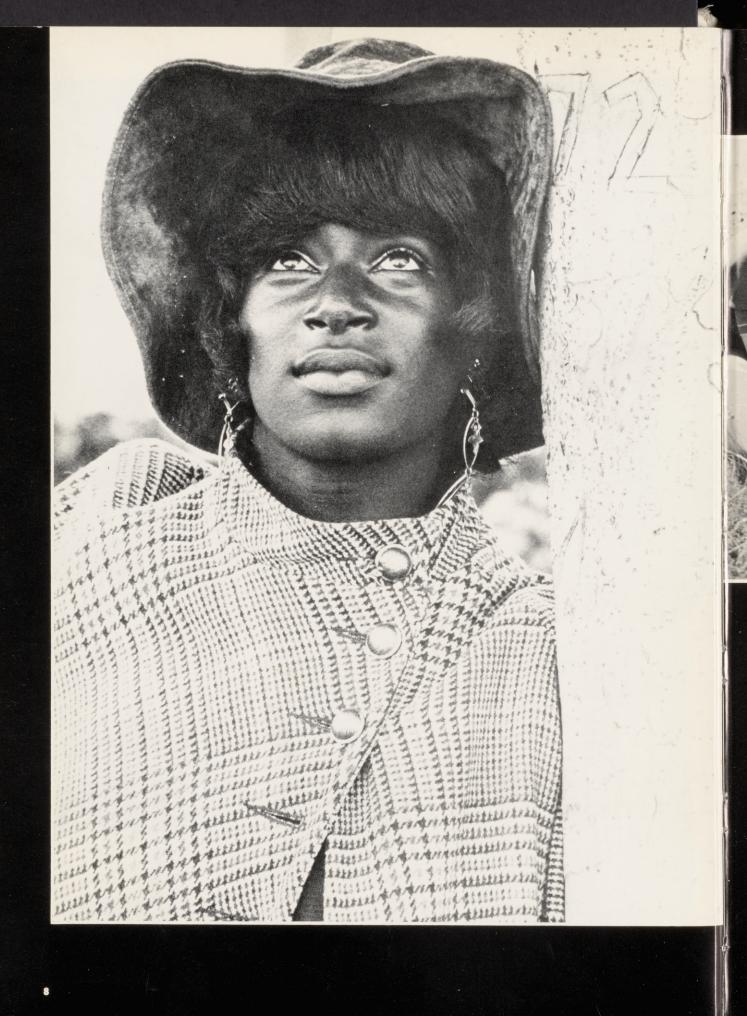

After the war he returned to college at San Jose State, where he received his teaching credentials. During his Senior year he was the Conductor of the San Francisco State Symphony Orchestra.

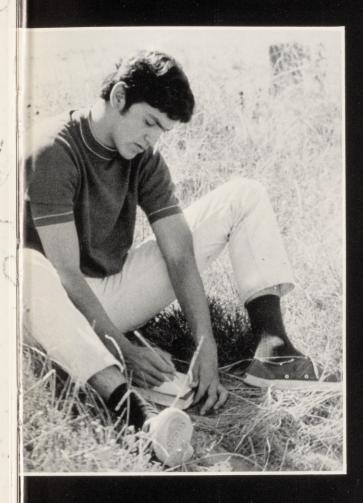

During Ells third year as a Junior High, Mr. Baughman came to teach Mathematics and Music. He organized and taught Harry Ells Drum and Bugle Corps which marched and played in parades. In addition Mr. Baughman officiated for many years at ACAL atheletic events. He refereed basket-

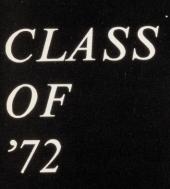

ball games and acted as timer in track events.

When Ells closed Mr. Baughman left but returned when Ells reopened. Mr. Baughman continues to promote school spirit. He frequently attends our sports events. In addition a Cross Country Trophy was named the "Baughman Award" in honor of the man who has given so much of himself for Harry Ells.

Mr. Baughman is retiring this year, so we wish to thank him now for all he has done for Ells. We promise to continue in the same school spirit which he brought to the Students of Ells. Mr. Baughman we salute you! We hope your retirement will be filled with joy, happiness and relaxation!

FALCONS WIN FIRST HOMECOMING

The 1971 Falcons had a nice homecoming at arch-rival Richmond's expense, winning the clash 14-8.

After a scoreless first period that saw an Oiler touchdown drive break down at the Ells 24-yard line, Richmond got a major break early in the second quarter when the Falcons misplayed a punt.

The ball accidentally touched Ells' Bruce Swift and Richmond end Mike Fulmore fell on it at the Falcons' 31 yard line. A face mask violation against Ells got the Oilers a first down at the 15 and four plays later Richmond scored from two yards out 6:28 from halftime. Richmond tried to run for the extra points but was stopped at the goal line by Bill Cooper and Tom Taitano.

The Falcons moved swiftly to a game tying score in the final two minutes of the first half on a 56-yard drive sparked by the passing of quarterback Maurice Hamilton.

For an opener, Hamilton passed for 13 yards to Oscar Williams and then got 21 yards out of a screen pass to fullback Cleo Smith, the play carrying to the Oiler 22-yard line. A grabbing the face mask penalty got the ball to the 12 and Hamilton, making a nice fake to Cleo, passed to Williams for seven yards to the five with 48 seconds to go.

Four downs later Cleo was halted short of the goal by Oiler Henry Cooper on what would have been the final play of the half but for an offside penalty against Richmond. Cleo got another try from a half-yard out and this time he took the ball into the end zone with no time left on the clock. The conversion failed and the half ended with the score deadlocked 6-6.

The Falcons scored the first time it got its hands on the ball in the second half, driving 51 yards to a touchdown after forcing the Oilers to punt.

Hamilton completed a conversion pass to Williams to make the score 14-6,

The Falcons with a fourth down and a yard to go later in the game got off a beautiful high spiralling 40-yard punt, but were guilty of interfering with the receiver and Amato had to kick again 15 yards deeper.

This time coach Lou Guida had him down the ball in the end zone for a safety with 47 seconds left in the game. The free kick was short and wobbly, a good break for the Oilers except for the fact that it was fumbled. Falcons' Luis Gonzales pounced on the ball at the Richmond 42-yard line and the Falcons ran out the clock from there.

VARSITY FALCONS BUILD

"PURPLE" PRIDE"

The 1971 Falcon Football team has established a winning tradition which will be emulated by Falcon teams in the future. If one characteristic marked this year's team it was that it played with "PURPLE PRIDE."

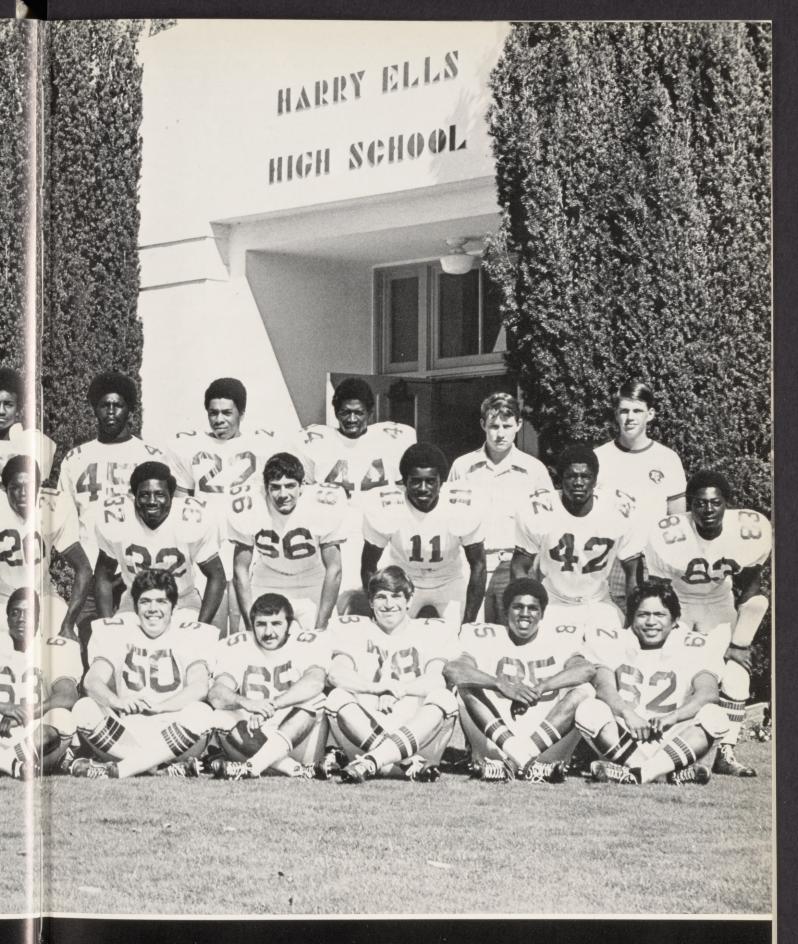

Being inexperienced, and playing their first year of varsity competition, the 1971 Falcons found themselves many times on the long of end scores. However, they established early in the season that they would never give up and this was proven time and time again as the season progressed. Their greatest triumph came in the season finale against arch-rival Kennedy. With their "PURPLE PRIDE" showing the Falcons bounced back from a 21 to 6 deficit to win the game in the closing seconds.

There were many "firsts" for this year's team. The first Varsity Football team to defeat arch-rival Richmond High. The first Varsity Football Team to defeat Kennedy. The first team to establish "PURPLE PRIDE." However, the biggest first of all, is that the 1971 Falcons were the first team in the history of the A.C.A.L. to win 5 games in its first year of Varsity competition!!! Think of it -- our Falcons won more games in their first year in the entire history of the ACAL; a history which dates back to the 1930's!!

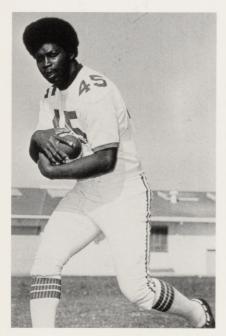

The 1971 Falcons can be extremely proud of the record it has established. PURPLE PRIDE is here to stay.

FALCON JUNIOR VARSITY

The 1971 Junior Varsity Football team would have to be characterized as an aggressive group of ballplayers. These players only tied one game in eight tries as sophs, and this year were determined to improve upon that record. The team forte this year has been the team's excellent defense. The Falcons first team has only allowed 60 points this year, as offensive mistakes gave the opposing teams easy touchdowns on several occasions. When the team went 13 quarters without scoring, the Falcon defense only allowed 5 touchdowns.

These ballplayers have a tremendous amount of team pride, and never gave up at any time during the season. They will be an excellent addition to our Falcon Varsity for 1972.

FROSH-SOPH

The 1971 Frosh-Soph Football team was composed of primarily Freshmen, a few first year sophomores and a few returning lettermen.

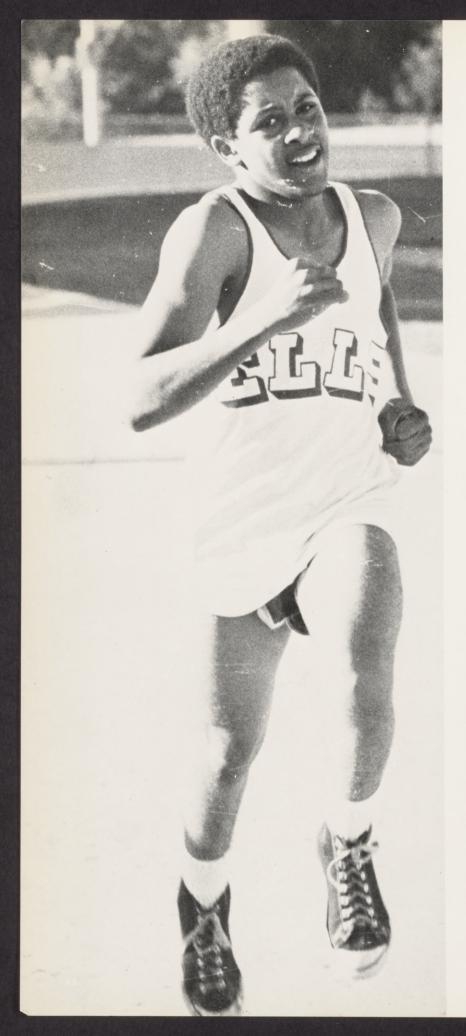

The team started the season against Pacific in what proved to be a very good game for the first game of the year. At the end of the game, the team should have been down only one touchdown but due to a bad call by an official the Falcons were behind 2 touchdowns.

The remainder of the season went about the same. They tied El Cerrito, beat Richmond and were defeated the rest of the season. However, they were never beaten badly and they were always in the game until the final gun. Mistakes, due to inexperience, were the main weakness during the season but despite the losses the team always came back the next week fired up and eager to go.

ELLS 1971 CROSS COUNTRY

The Ells High School cross country team entered into varsity competition this year for the first time since 1966. There were no seniors on the team but the runners did an excellent job of competing although it was not a winning season. A season of five four-way meets was climaxed by a City Meet and the ACAL Finals. The Falcons did not qualify in the upper division to continue to the Divison and North Coast Finals. The top runner was R. Herbert Evans who was consistently the fastest of the purple and white harriers. He was usually pushed by Bernard Alex and Willis Couey. Evans received the Glenn Baughman trophy as the Most Valuable Runner. Willis Couey was elected Varsity Captain.

A bright outlook for the future of cross country was evidenced by the performance of the Ells Frosh-Soph cross country team. Led by Tom Swearingen and David Luna and closely pressed by Gerardo, Villagomez,

Mike Allaire and Steve Jackson the team placed high in many meets and took a first place from Salesians, a first time opponent. Tim Holt, Joe Stallworth and Steve Charrette helped the team to a strong finish in the City Meet but the absence of front runner Tom Swearingen due to illness hurt the placing in the ACAL Finals, Dave Luna and Tom Swearingen were elected Co-Captains of the Frosh-Soph team.

Linda Pierre, Theresa Pierre and Terry Guinn assisted Coach Robert Anderson and Coach V. Cary as Stat girls. Steve Birkhimer acted as advisor, trainer and manager.

VARSITY Cross Country runners were: R. Herbert Evans, Bernard Alex, Willis Couey, Robert Steen, Dan Birkhimer, Willie Cooper, Pat Brown and Tom Poust.

FROSH-SOPH runners were: Tom Swearingen, David Luna, Gerardo Villagomez, Mike Allaire, Steve Jackson, Tim Holt, Joe Stallworth and Steve Charrette.

'72 VARSITY BASKETBALL

BACKGROUND, L-R: Edgar Skinner, Bruce Brown, Dean Penton, Ricky William, Byron Davis, Oscar Williams. FRONT ROW, L-R: Maurice Hamilton, John Shephard, Eddie Brown, Jimmy McMath, Coach John Sharp.

From the viewpoint of a won-loss record the first Harry Ells Varsity Falcon Basketball Team was almost a complete failure. However, the reason cannot be judged soley on that basis. The league teams that the Falcons played were very tough opponents and the Falcons were a very young team, many of whom should be leaders during the 1972-73, Basketball Season.

Actually the team was lead by junior, Oscar Williams, the teams Most Valuable Player and Team Captain, senior, Bruce Brown. Oscar was named second team captain all A.C.A.L., he missed first team by only one vote by the A.C.A.L. coaches. Perhaps the most outstanding thing about the 1971-72 season was that the Varsity Team never gave up no matter how far behind they were. They were real competitors and received respect no matter who the opponents were.

STATS: Janice Mignone, Paula Fahrenholtz, Marlene Carlsen, Linda Jackson, Melody Gondeu, Paulette Pericoli.

The 1971-72 Basketball Stats spent their Tuesday and Friday afternoons keeping basketball statistics for both the J.V. and Varsity games. These six girls were very helpful and of great importance to the team and coaches.

Melody Gondeau and Paulette Pericoli were kept busy with the shot chart which recorded the teams shooting

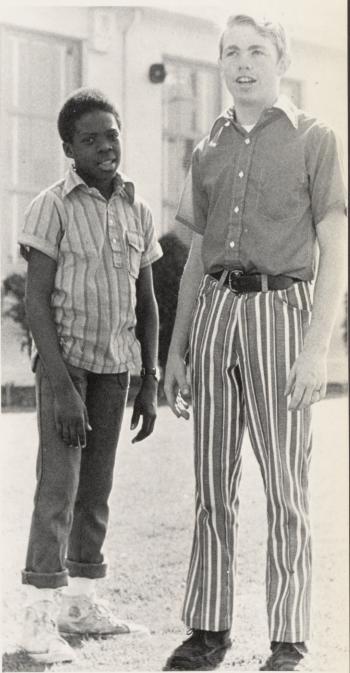

record. Paula Fahrenholtz and Marlene Carlsen kept the teams rebound record, while Janice Mignone and Linda Jackson kept the teams steals and turnovers.

These six bright girls added a bouncing enthusiasm to the team spirit.

Coach Dennise Abel, Coach John Sharp and Coach Gary Kiser.

MANAGERS: Kenny Silmow, Gregg Seidlitz.

Clockman, Joe Davis; Scorekeeper, Janet Evans; Announcer, Willis Couey.

Bruce Brown's strong strength and aggressiveness proved to be appreciated when he was voted Varsity Team Captain.

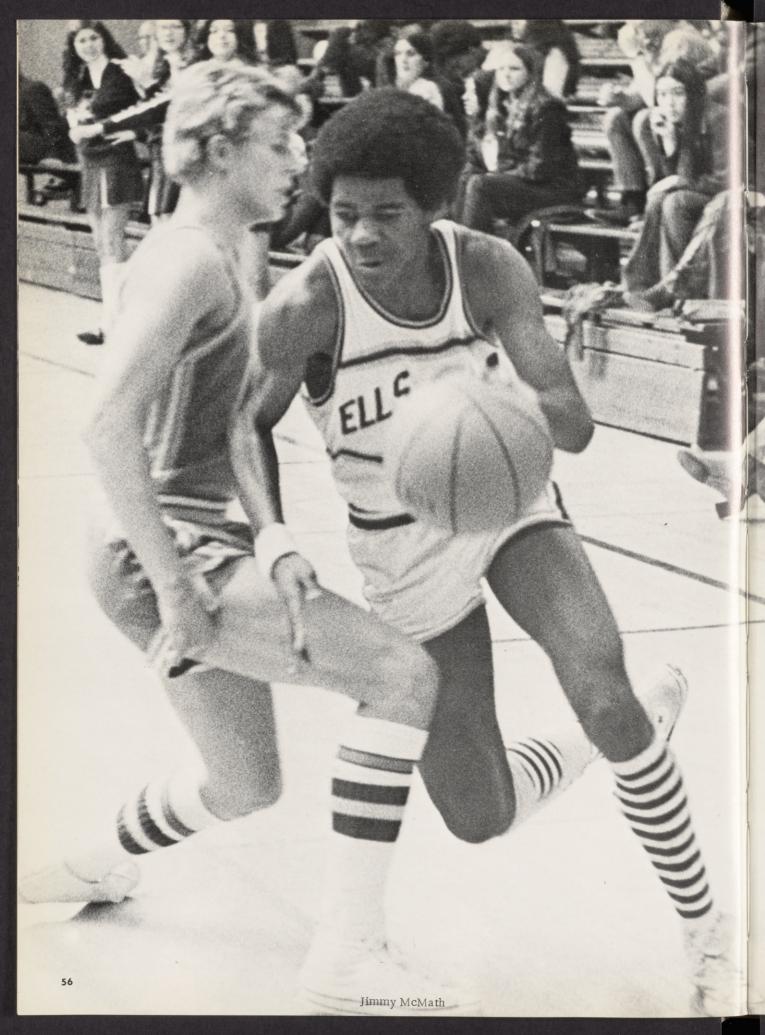

Oscar Williams demonstrated great force for the Varsity Falcons. He always put 100% of himself into the game. His greatest strength was the strong support he gave the team in times of trouble and defeat! Because of his strength Oscar was voted Most Valuable Player.

Coach John Sharp used all time-outs and period breaks to discuss seriously with the team, what was taking place on the floor.

VARSITY, (Left to Right): Mark Tofanelli, Arne LaRoque, Dan Salcido, Lee Jackson, Luis Gonzalez, William Willis, Alex Rincon, Leonard Brown, Greg Bluitt, Joseph Stallworth, Mike Grayson, Lewis Walker.

The Varsity Wrestling team finished their season with five wins and eight losses in dual meet competition. However, all but two of the losses were by less than six points, since the team had no one to wrestle in the Heavyweight Division, an automatic forfeit gave the other team six points before the matches started.

The Falcons were especially strong in the lower weights where, Novice Michael Grayson and Alex Rincon along with Bernard Alex, Joe Stallworth, Leonard Brown, William Willis and Lee Jackson won important bouts. The upper weights were led by Robert Foster, Tom Taitano and Arne la Rocque. Two Novices, Dan Salcido and Mark Tofanelli also contributed points.

With only four seniors on the entire squad, Ells should be as strong, or stronger next year. William Willis, Lee Jackson, Tom Taitano and Robert Foster are the only seniors to graduate.

J.V. team members who possibly could move int these places are: Luis Gonzalez, Joe Treas, James Jack, Chuck Pillow and David Manes.

Greg Bluitt and Lewis Walker also can be counted upon for next year as they wrestled both Varsity and J.V. during the year. Leonard Brown who broke an ankle in the next to last dual meet is also expected to return to top form.

'72 FALCON SWIMMING TEAM

The Ells High Swim team has completed its second season of competition in 1972. The Varsity team was bolstered by veteran seniors, for the first time. Dale Furseth led all others and rewrote the school records. Other senior swimmers were: Gary Kiser, Jon Doellstedt, Mark Peterson, Steve Fox, and Carl Winther. The crop of new freshmen and sophomores speaks well for the future. Among the most promising are Scott Hardwick, Ray Honda, Greg Howard, Matt Lusby, Jeff Peterson and Zachary Roberts. During the entire season the junior varsity was never more than a relay away from victory as our able crew of Stat girls can attest.

The season opened with two non-league victories. League meets reflected improvements attributed to additional experience and the second place finishes in junior varsity and Novice classes to the 19th City Meet. Next year the nucleus of Tom Burchell, Richard Doellstedt, Mike Peterson, Steve Pulos, and Robert Thornton, the fine junior varsity squad and divers William Gesell and James Jack should enchance the swimming future even more.

SENIOR VARSITY SWIMMERS: Dale Furseth, Carl Winther, Gary Kiser, Jon Doellstedt, Steve Fox.

The pitching staff is the key to a winning baseball team. The pitchers lead by top hurler Mark Sisneros gave Coach Erkkila the mound staff that made the Falcons a title contender. Filling out the staff were Mike Cordero, Jerry Sharrock, and Jimmy McMath. The four threw to Cleo Smith, Gary Pylant, and Mike Cordero, who traded off behind the plate.

ires,

To The Seniors:

I am proud of the leadership you have given and the efforts you have made to develop a unity and spirit at Ells High School that I feel is the best in our District.

Last year many of you resented being spilt from your friends as new boundaries for this school divided the student bodies of Kennedy and Richmond High School.

You are to be commended for your willingness to work cooperatively with our faculty to mold this student body into one we can all be proud of.

One of the ingredients for success in today's society is the ability to adjust to change. You have successfully demonstrated this ability during the past two years.

My best wishes to all of you in meeting the challenges of the future.

would you keep it

it would always be there.

If I wrote you a ballad would you sing it when you got lonely and worried about the children crying from war.

If I told you

If I took you in my arms and never let you go would you regret it or would you think of me as a dream and never let me go.

JOHN MC GEE WHAT BEING BLACK MEANS

Being black means being together

Being black means being united

Being black means being proud

Being black means being yourself

Being black means being loving

Being black means staying out of trouble

Being black means being very right on, together

Being black means loving your country

Being black means loving your neighbor

Being black means knowing your knowledge good

Being black means you're educated because

You are going to need it to keep up with

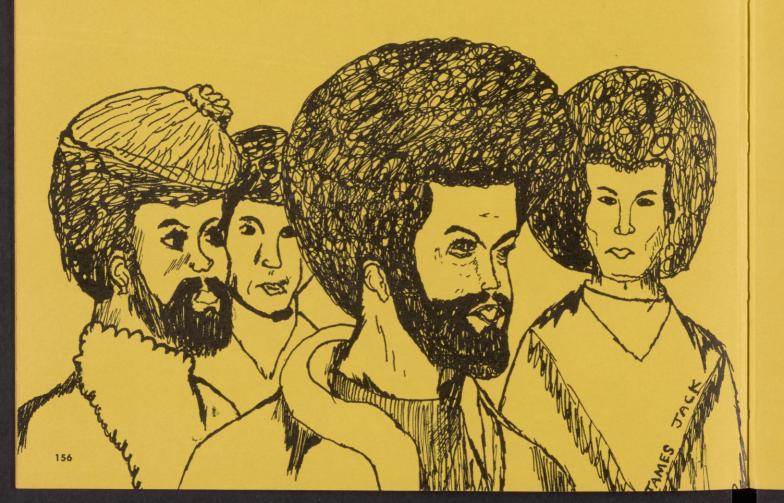

All of your people

And that is what being black means to me

Black sisters and brothers

Right on!

- Sheila Smith

Love is something beautiful

Like a butterfly

While it's free its beauty is there

For you to enjoy

But once you try to capture it

It dies.

When it starts to fade

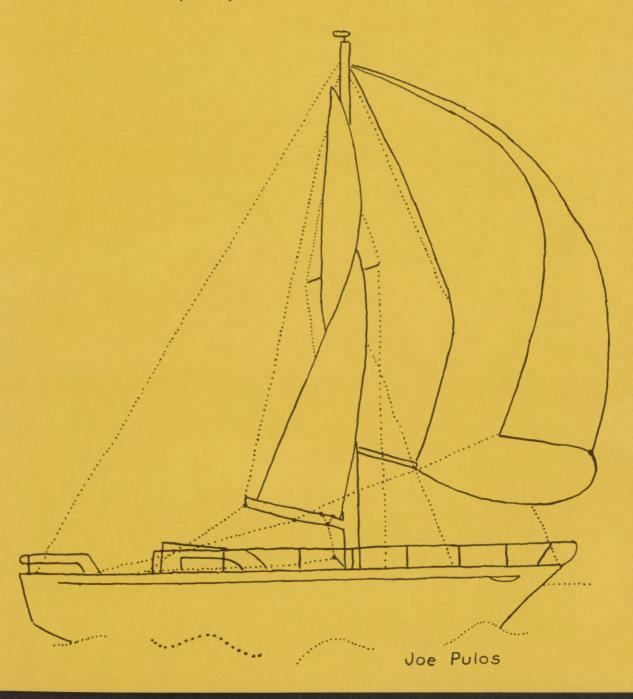

Let go

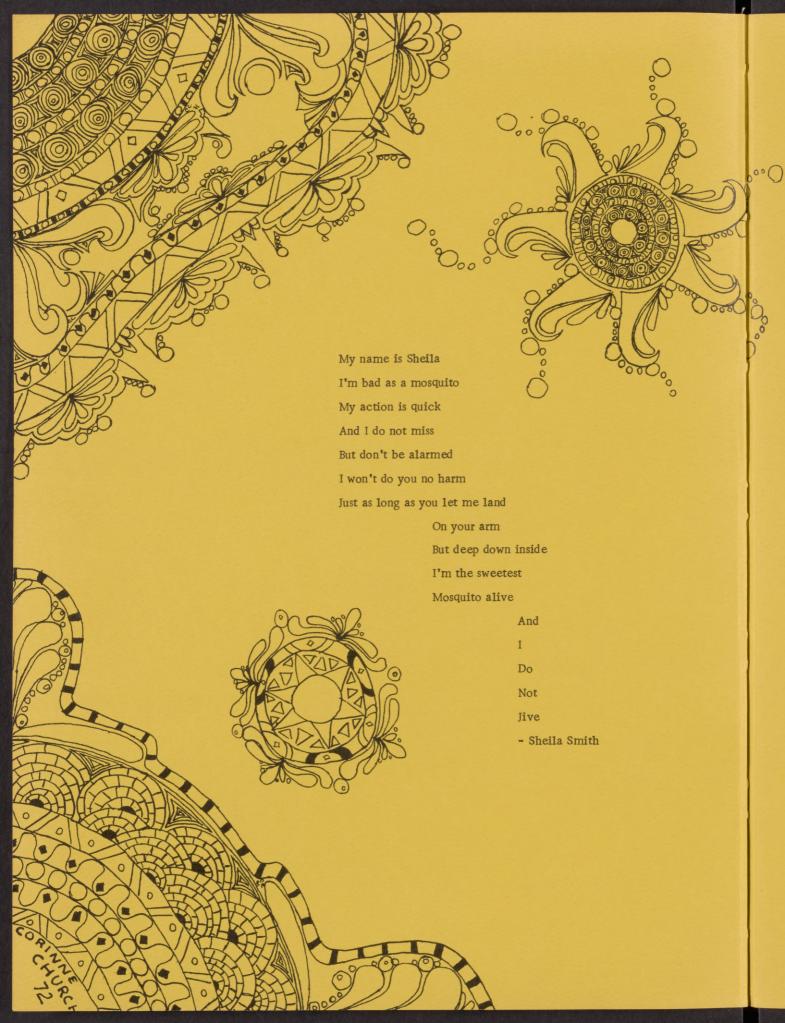

It's worse to hold on to emptiness

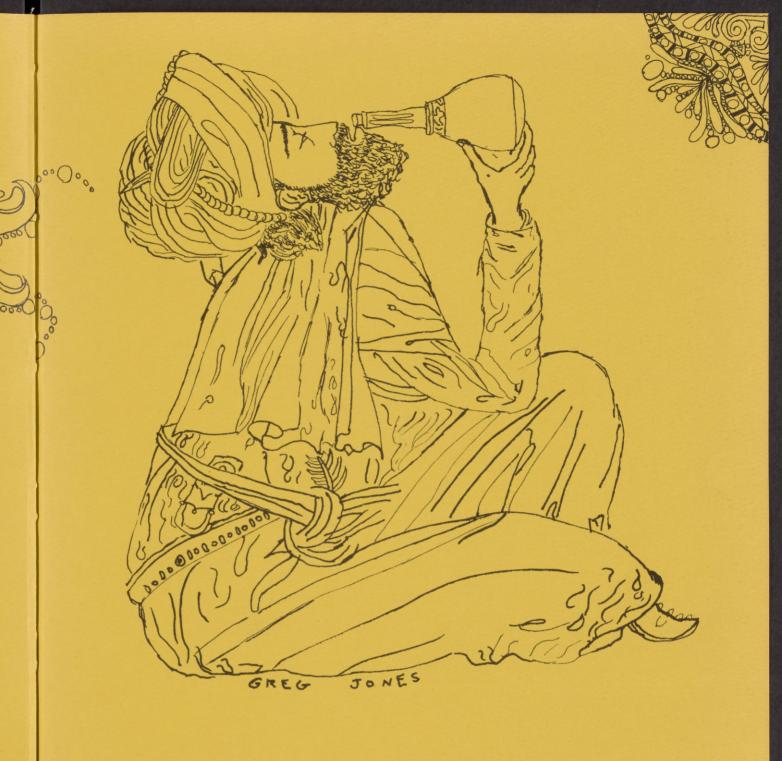

Than to let go and

Reach out for something new.

Sadie Hawkins Day Dance will be held on January 28, Couples will be \$2 a couple and \$1.50 stags.
Sadie Hawkins of Dognatch was a 'spinster' over 10 years old. Her father was a well-to-do man. Sadie knew that that would be her only asset.
One day her father decided that he would give a generous dowry to the man who would marry Sadie.
Still no takers. Then he declared a "Sadie Hawkins Day," All the backenors werk to line up at a certain line at a certain

CHEERLEADERS LEAD SPIRITED YEAR WITH SMILES

The girls that jump the most, yell the most and lose their voices the most are those five girls called cheerleaders. They wear purple and white at least once a week and always seem to be smiling.

But there is more to it than that. Kim, Debbie, Theresa, Sandy and Terry are out there for a purpose - to cheer the Falcons on to a Victory whether it's football or basketball.

ROYALTY OF 71-72

It was an outstanding year in many ways. It was a year in which Sheila Gibson was chosen as Harry Ells first Home-coming Queen. She ruled with dignity and beauty.

Theresa Austin represented Harry Ells at the Annual Snowball Dance. We were honored when she was crowned Miss Snowball Queen of 1972!

A F OF L LOCAL 866 HARRY ELLS CHAPTER

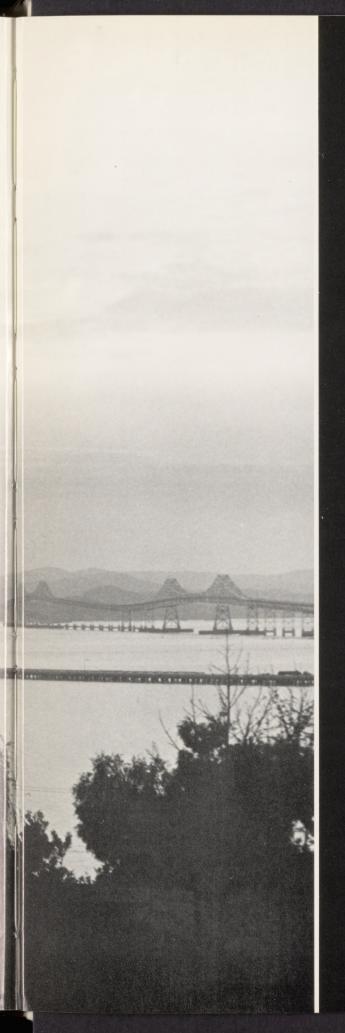

Congratulates The First Graduating Class of the New Harry Ells High School

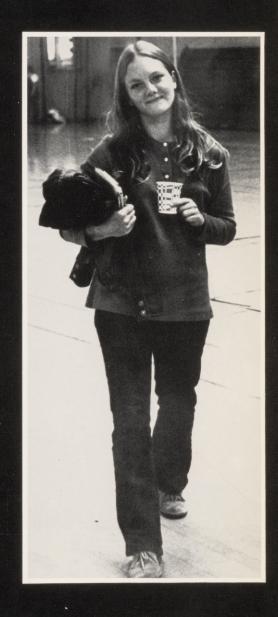

Best Wishes to the Class of '72 The production of a yearbook takes the cooperation of many people. We would like to express our gratitude to all those who gave so much more than was asked of them. First we would like to thank the administration. Without the help of Mr. Elmer McCormick and Mr. W. Robert Dycus there could not have been a yearbook. Our finances would never have been kept in orderly manner if it were not for the careful and efficient work of Mrs. Betty Hanscom. We wish to thank the Physical Education Department for supplying accurate information for the Sports Section.

What would our yearbook be without pictures? Although Mr. Paul Brown has no official ties with the yearbook he devoted a great deal of his own time to make sure we had the right photographs at the right times. We are indebted to Mr. Dennis De-Silva of Studio Seven who constantly worked into the wee small hours of the night to supply us with photographs of the highest quality! We would also like to thank Ivan Tinsley for a number of our candids.

The beautiful poem that closes our book was written especially for us by Lena Wilson. However, there would be no yearbook at all, if it were not for the interest and support of the students here at Ells High. So finally we thank YOU! Without you there would be no reason for the Crusader's existence.
